By

APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of an underground source as heretofore granted under Permit No. 10599 is issued subject to the terms and conditions imposed in said Permit No. 10599 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 3.0 cubic feet per second.

Actual construction work shall begin on or before January 14, 1953.

Proof of commencement of work shall be filed before February 14, 1953.

Work must be prosecuted with reasonable diligence and be completed on or before January 14, 1954.

Proof of commencement of work shall be filed before February 14, 1954.

Application of water to beneficial use shall be made on or before

January 14, 1954.

Proof of the application of water to beneficial use must be filed with State Engineer on or before February 14, 1954.

Proof of commencement of work filed FEB 6 1953

Proof of Completion of work filed FEB 6 1953

PROOF OF BENEFICIAL USE FILED FEB 15 1954 WITNESS MY HAND AND SEAL this 14th day
